To: Matt Mayers <matt@genuslogistics.com>

Dear Mr. Mayers,

Since the hunts have happened, I need copies of the hunting license/permit with the tag number for each.

In accordance with 50 CFR 13.11(e), please provide the information and documentation indicated. Any response must be in written form. If we do not receive the information requested above within **45 days (July 4, 2020)** from the date of this e-mail, your application will be abandoned and administratively closed. Once the file is closed, you would need to submit a new application, supplemental documentation and all required fees.

Also, in responding to any correspondence from Branch of Permits, *please put your Permit Nos. in the subject line or somewhere on the documentation you send via mail.*

Kind regards,

Stephanie Whitley
